

eOx[®] TRUCKCLEAN 350

Product-Code: 2459

PRODUCT INFORMATION

DESCRIPTION

eOx Truckclean 350 is a very powerful and strong concentrated alkaline cleaner, with a very special composition, specially designed to clean trucks. This liquid cleaning product is extremely useful for cleaning and degreasing of greasy, with oil besmeared surfaces and so called static dirt.

APPLICATION

eOx Truckclean 350 can be safely applied to most materials, including aluminium and synthetics.

ADVANTAGES

Non-flammable, Non-Poisonous, Phosphate free, Non-toxic, High biodegradability, Meets all EEG Regulations, Safe for use on ferrous and nonferrous materials, including aluminium, plastics, lacquer and paints.

DIRECTIONS FOR USE

eOx Truckclean 350 is usable with all kinds of equipment and accessory. On the basis of samples the optimal dilution has to be found with regard to the present pollution-equipment- temperature- water-pressure and time.

By pressure cleaner: Average dilution 1 to 2 % on the spray head and an average usage temperature +- 50° C.

Place the diluted product from below to above on the object.

Give it some time (2-10 min.) to effect. (Don't let the product dry). Then wash away with warm water and under high pressure. The lines of action above give the best cleaning result, depending of the named variables.

SPECIFICATIONS

Purpose:	Special strong intensive cleaner
Usage Temperature:	Not critical
Storage Temperature	Frost free
Solubility in Water:	100
% Flashpoint:	N.a.
PH-value:	Ca.12
Waste information:	Removal as waste according to local and national prescriptions
	Danger Class None

Package	25 L. Jerrycans, 210 L. Barrel, 1000 L IBC
Shell live:	4 years
